**Opening of the "Luigi Boldrini"  
 Paleontological Museum of Pietrafitta**

Luigi Boldrini, a worker at the Enel electrical plant of Pietrafitta, discovered the first fossil in 1966, while observing the brown coal being mined to feed the power plant. For 20 years and with great passion he collected fossils, saving them from the digger that would have destroyed them, and creating what is today the largest collection of fossils of that period (1.500.000 years ago) in Europe. Among the findings even some skulls and tusks of a particularly large species of Mammoth! 15 minutes from I Casali di Colle San Paolo. Entrance free for children under 11.

**Olive Picking  
 weekends**

Enjoy a weekend in the countryside on **21-23 October** and **4-6 November**. Help us pick olives and accompany us to the olive mill in Panicale to see the grinding process. Aperitif in the evening in front of the lighted fireplace in the common room: Umbrian wine and "bruschette" with our new, fragrant extra-virgin and organic olive oil.

Thank you to our friend Milo Geling for the beautiful wooden signs of the *Casali*. They are all different one from the other, and hand-made with recycled wood found around the estate.

**Events in the area:  
 ALTROCIOCOLATO**

The Festival of Fair Trade Chocolate and Food will be held in Castiglione del Lago, on the shore of Lake Trasimeno, between 14 and 16 October. There will be tasting and selling of homemade chocolate, typical local products, organic products from around the world and handicrafts, plus concerts, cinema and shows for children.

**(If you want to try our new booking system on our website,** [www.collesanpaolo.it](http://www.collesanpaolo.it), book after October 1st and you will receive a 12% last-minute discount).

**HALLOWEEN AND  
 ALL SAINTS**

Trick-or-treating between the Casali for Halloween, and maybe a spooky candle-light visit to the ancient catacombs underneath Muserale (the main house of the property). In your apartment you will find a pumpkin to carve and candles, to keep away the evil spirits (grilled sausages and roasted chestnuts should be of help too 😊)!

**Christmas and Epiphany  
 at "I Casali"**

Come and spend a magic Umbrian Christmas in the cosy common room of the Fontanelle farmhouse, perfect for family reunions and parties. Amongst the many interesting day trips in the area (to Assisi, Perugia, Città della Pieve and Pienza, just to name a few) we suggest a visit to the beautiful "Presepe" (crèche) in the town of Corciano, with life-size figures that meander all through the squares, alleyways and cellars of this old and very characteristic hamlet.

**Our Christmas present?** Low season rates this year for Christmas and Epiphany, and Umbrian wine for your Christmas lunch or dinner. (THE COMMON ROOM CAN COMFORTABLY SIT 25 GUESTS).
